J5 *Motown Sound* Granola Dipp's Bars Box (USA)

Granola Dipp's bars by Quaker Oats box with 5 cardboard records inside to collect. 1 different record in each box including 'Motown Sound' with the Jackson 5 and others.

These five records were issued inside of Granola Dipp's bars by Quaker Oats. They were not only for entertainment but also, by listening to the record you were part of the contest. If you heard the announcer say towards the end of the record "Congratulations, You are a winner!", then you win the prize that he announced with this information. See the back of the record for info on prizes and if you find any of these records, remember that the contest has expired so don't try to claim any of the prizes. Paper with record embossed on front. 33 1/3 rpm, 1987.

You can see the 'Motown Sound' cardboard record in our dedicated cardboard singles.
