Reading in full: "Dear Michael: I was pleased to learn that you were not seriously hurt in your recent accident. I know from experience that these things can happen on the set--no matter how much caution is excercised. All over America, millions of people look up to you as an example. Your deep faith in God and adherence to traditional values are an inspiration to all of us, especially young people searching for something real to believe in. You've gained quite a number of fans along the road since "I Want You Back" and Nancy and I are among them. Keep up the good work, Michael. We're very happy for you."
