Handwritten Note With A Video Outline "Magic Shots Like A Fosse Movie"

Single piece of yellow paper with a handwritten note by Michael Jackson from the early to mid 80s including ideas for a video he was in the process of making with Steven Howell, his personal videographer. Michael wrote: "Talk about myself my dreams and what I want to do. Show me preparing to dance with record glove hat and quick step. Magic shots like a Fosse movie. Their night fall the magic of the night now. The film must be too good to be true, like a fairy tale. Something out of a story book. The key is to get and do exactly what I see in my head." Offered by The Memorabilia Vault (lot #3) at their "JUNE 14th AUCTION" 2014. All screen captures are the property of their respective owners.
